

Understanding Specific Learning Difficulties Certificate (Online)

Adult

Employer Training

Around 15% of people have a learning difficulty, which means they can find it harder to learn certain skills. If you're looking to improve your understanding and awareness of learning difficulties, this is the course for you. You will learn about a range of specific learning difficulties, including ADHD, dyslexia and dyscalculia. It's great for people working in a variety of sectors, such as healthcare, social care and education.
