

Barbering Diploma

16-19

Adult

If you are already qualified to a level 2 standard and you are looking to upgrade your qualification. This course will help you to progress in your career as a barber. Not only will you develop existing skills but you will also learn how to design and create a range of facial hair shapes and provide shaving services.

You will be expected to attend College for two/three days a week and will be required to work to high professional standards. You will train in one of our industry standard salons, work in a realistic environment and use the latest equipment, machinery and products within the industry. When you are confident enough and have practiced the techniques to a level 3 standard, you will be able to provide services to paying customers.

Alongside the training, you will be required to complete work related experience within the industry to enrich your programme of study and gain employability skills. You are also required to complete course work and research in your own time towards completion of this qualification.

ENTRY REQUIREMENTS

You will need a Level 2 barbering qualification and a real interest in the barbering industry.

You should be enthusiastic to learn a variety of advanced practical skills and the associated knowledge, which will develop your employment opportunities within the industry.

As with all barbering professions, you will need to create the right impression with your clients and must therefore be professional, courteous and discreet. Excellent communication skills are essential.

This is an intensive, knowledge-based course and we do look for enthusiasm and motivation to succeed on the course.
