University

The Cert Ed is designed for people who would like to become a qualified teacher or trainer in the Further Education Sector. The qualification incorporates the Diploma in Education and Training (DET). This qualification will allow you to meet the initial training requirements for membership to the Society for Education and Training and will underpin an application for Qualified Teacher of Learning and Skills (QTLS) status.

A teaching placement is an essential requirement of this course. During the course this placement will inform taught sessions and enable you to contextualise and apply key principles of learning.
