

AAT Certificate in Accounting Level 2 (Online)

Adult **Employer Training**

If you would like to gain an insight into bookkeeping and accountancy and an overall understanding of the underpinning skills required to work in an accounting role and the areas you might wish to specialise in then this is the course for you. The AAT Foundation Certificate in Accounting is suitable for anyone interested in a new career or developing an existing career.

During the AAT Level 2, you will learn finance administrator skills e.g. double entry bookkeeping, basic costing principles, and purchase, sales and general ledgers. You will develop the necessary knowledge and skills to enable you to understand and use a cost recording system within an organisation, including its use for recording or extracting data and using spreadsheets to provide information on budgeted income and expenditure.

All exams are held at either our St Austell or Camborne Campus sites.
