

Introduction to Creative Crafts for Wellbeing

Adult

On this course you will be able to develop your creative skills by working on a project of your choice with the help and support of the tutor. This could be anything from still life drawing and painting, sketching, perspective drawing, textiles, crochet, sewing machine techniques, card making, water colours and photography.

The tutor will give you guidance to achieve your goals and you can adapt them to make your own creations.

Your road to wellbeing courses are relaxed and informal, enabling you to improve your wellbeing and mental health, building your self-confidence, and a great way to make friends.

Our courses are for anyone aged 19 plus who suffers from or who is recovering from mental ill health.

Our courses run one day per week, over 10 to 13 weeks per term. If you miss the start of the course don't worry, you can join the courses at any time.

These courses are run at CROP Gardens, Plymouth, a horticultural site managed by Livewell.
