

Diploma in Reflexology Level 3

Adult

Employer Training

If you love promoting the health and wellbeing of others holistically, this is the course for you. This is a substantial vocational qualification that will prepare you for a career as a reflexologist. This course encourages practical learning you will spend time in our treatment rooms working on clients, learning as you go and perfecting your skills in a supportive and knowledgeable environment. It will enable you to work in industry within a healthcare setting, for yourself, with in a spa, salon or wellbeing centre.

This course is made up of four units:

Principals and Practice of Complementary Therapies - The aim of this unit is to develop your knowledge and understanding of the history and influences on the complementary therapy sector

Business Practice for Complementary Therapies - The aim of this unit is to develop your knowledge, understanding and practical skills in researching, planning, maintaining and marketing a business in the complementary therapy industry. You will also learn to communicate effectively with clients and colleagues.

Anatomy and physiology for Complementary Therapies - The aim of this unit is to develop your knowledge and understanding of anatomy, physiology and pathology.

Provide Reflexology for Complementary Therapies - the aim of this unit is to provide you with the knowledge, understanding and practical skills required to carry out reflexology using a range of techniques. You will also develop knowledge of reading of the feet.

These skills combined will give you the enthusiasm to work in a rapidly growing industry, for yourself or in a health care setting.
