

CIPD Foundation Certificate in People Practice

Leisure and Professional

The primary purpose of this qualification is to develop your knowledge and skills to build your expertise, inspiring you to undertake tactical tasks that deliver value. You will build your confidence and knowledge to be able to contribute to immediate colleagues, customers and the organisation; supporting change and driving impact, to create immediate and short-term value. You will gather information to use in your role and use this to understand your work, organisation and profession more deeply.

ENTRY REQUIREMENTS

The CIPD Level 3 Foundation Certificate is designed for learners aged 18+ who want to learn about 'people practice'.

Although there are no formal entry requirements, an initial diagnostics to ensure that this qualification is appropriate for the learner will be carried-out. This will include making sure that learners can meet the requirements of the learning outcomes and can access the appropriate literacy and numeracy needed to complete this qualification.
