

City and Guilds Level 3 Award in Education and Training – Part-time

Leisure and Professional

This programme provides candidates with an introductory qualification in teaching within the further education and skills sector. Candidates will study the fundamentals of teaching within the sector including the roles and responsibilities of teachers; equality, diversity and inclusion; sequencing of learning and how to successfully plan, deliver and assess taught lessons.

Please note: There is no requirement to hold current teaching hours in order to study this programme.
