Maths Functional Skills Level 2 – Evenings

Adult

This is a one-year intensive course leading to a Functional skills mathematics qualification.

It is designed to improve your maths skills to enable you to solve maths-based problems and add value as an employee or gain skills to help you return to work.

This course is free of charge if you have not previously achieved a grade 4 - 9 (or A* to C) in Mathematics.

You will need to be willing to work independently in addition to attending all timetabled lessons.

You will need pens, pencils, scientific calculator and basic geometry set.
