

Procurement and Supply CIPS Diploma

Employer Training

This course offers valuable management tools for those moving into junior and middle management procurement roles or those supervising the procurement function. It focuses on organisational procedures and processes including negotiation, planning, risk management and data analysis.

Based at the same level as a first year of an undergraduate degree course, you will be equipped with essential knowledge and tools that you can apply immediately in your workplace.
Modules:

- Procurement and Supply in practice
- Defining Business need
- Commercial Contracting
- Ethical and responsible sourcing
- Scope and influence of Procurement and Supply
- Supplier Relationships
- Commercial Negotiation
- Whole life asset management

The cost for each module (non-accredited) is £295.00

Full details of the programme can be found at the CIPS website by following the link
