

Nail Technology Diploma Level 3

16-19

Adult

A progression route for Level 2 Nail Technicians or Level 2 Beauty Therapists. This course provides a higher level of skills necessary for employment in specialist nail bars and beauty salons. If you are already qualified to a level 2 standard and you are looking to upgrade your qualification, this course will help you to progress in your career as an advanced Nail Technician. Not only do you develop your existing skills, but you will also train in nail art, acrylic, gel and e-filing. It is a suitable qualification for those looking to set up their own business or offer additional services within their salon.

You will be expected to attend College for three days a week and will be required to work to high professional standards. You will train in one of our industry standard nail bar, work in a realistic environment and use the latest equipment, machinery and products within the industry. When you are confident enough and have practiced the techniques to a level 3 standard, you will be able to provide services to paying customers.

You are also required to complete research and a work placement in your own time towards completion of this qualification.

You will need to complete external work experience for one day a week.
