

Level 2 Certificate in Self-harm and Suicide Prevention (Online)

Adult **Employer Training**

The purpose of this qualification is to educate individuals in spotting signs of self-harm and suicide and helping to prevent further harm by encouraging individuals to seek help. The qualification is designed to apply to a range of circumstances, including upskilling individuals with a safeguarding responsibilities in workplace. It is hoped that with an increased knowledge of the subject, learners will be able to encourage conversation in all aspects of society that could prevent individuals hurting themselves or deaths by suicide.
