

Watercolour & Acrylic Painting for Beginners & Improvers – Cityscapes

Adult

Leisure and Professional

A relaxed and inspirational painting workshop designed to help beginners and improvers learn or improve the basic techniques of drawing and painting. Students will be guided through various techniques to develop new skills and ideas for using watercolour or acrylic. All will improve with friendly individual tuition.

This workshop is for complete beginners or those who already have some experience and would like to develop further.

You will be required to provide your own materials for this workshop (a suggested materials list will be provided nearer the start date) as well as bringing an inspirational photo of your favourite 'Cityscapes' to work from.

This is one of a series of workshops and hopefully you will be able to join us for one or more of them running throughout the year.

Fee payable when booking.
