

Self-harm and Suicide Prevention Certificate Level 2 (Online) (TQUK)

Adult **Employer Training**

This qualification is aimed at anyone seeking to improve their understanding and awareness of suicide and self-harm. The knowledge individuals will gain is not sector-specific but can be applied to a broad range of personal and professional situations.

Some courses and subjects covered in programmes can be upsetting for learners and, although The Skills Network has made every effort to include trigger warnings where appropriate, it is important to acknowledge that they cannot know or understand potential triggers for all learners. The course is designed to provide training and further knowledge and should not be undertaken as a form of non-clinical therapeutic intervention or counselling.
