

Art, Design and Communication for Industry UAL Extended Diploma in Creative Practice

16-19

Adult

Discover your creative spark with our revolutionary two-year Level 3 Art and Design Extended Diploma, a fusion of innovation and entrepreneurship. Dive into a range of creative specialisms, art, design, and photography. Refine your craft while acquiring essential knowledge for launching your own creative enterprise.

Throughout the program, you'll have the chance to fully harness your creative potential, utilising a wide range of technical tools and resources. From hands-on activities to digital technologies, you'll have access to everything you need to unlock your creativity.

Through a combination of collaborative projects, individual exploration, and guided discovery, you'll cultivate your unique creative voice. With small class sizes, you'll receive personalised support to develop your knowledge, skills, and interests.

Study visits to museums and galleries enrich the learning experience, while the practical curriculum encourages experimentation with various materials and visual languages. Emphasis is placed on reflection to refine critical and communication skills essential for success in the creative industry.

Students will have the opportunity to develop transferable skills, making them versatile and employable individuals while learning the importance and application of ethical and sustainable design principles. The course instils essential attributes such as keen observation, adaptability, practicality, and critical thinking, while fostering invaluable industry-relevant skills like collaboration, time management, and effective idea communication.

Embark on a transformative experience that not only nurtures your artistic talents but also equips you with the tools to shape your own successful venture in the world of art and design. Your future as a creative entrepreneur starts here.
