

Hairdressing Diploma Level 3

16-19

Adult

A progression route for Level 2 hairdressers wanting to gain employment within the hairdressing industry. This course is aimed at learners wishing to further their existing hairdressing skills in advanced techniques. You will be expected to attend College for two/three days a week and will be required to work to high professional standards.

A part-time course is also available.

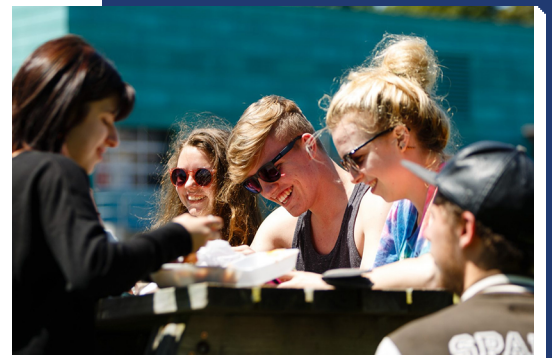

You will train in one of our industry standard salons, work in a realistic environment and use the latest equipment, machinery and products within the industry. When you are confident enough and have practiced the techniques to a level 3 standard, you will be able to provide services to paying clients.

Alongside the training, you will be required to complete work related experience within the industry to enrich your programme of study and gain employability skills. You are also required to complete course work, practice and research in your own time towards completion of this qualification.

You will need to complete external work experience for one day a week.

ENTRY REQUIREMENTS

You will need a Level 2 hairdressing qualification and a real interest in the hairdressing industry. You should be enthusiastic to learn a variety of advanced practical skills and the associated knowledge, which will develop your employment opportunities within the hairdressing industry.

As with all hairdressing professions, you will need to create the right impression with your clients and must therefore be professional and courteous. Excellent communication skills are essential.
