

Nail Technology Enhancements Diploma Level 2

16-19

Adult

If you are interested in a career as a nail technician, then this course will equip you with the latest skills and know how. This course offers you the skills required to gain employment as a nail technician at Level 2 Standard. You will receive training in manicure, pedicure, nail art, and nail enhancements.

With nail bars becoming a commonplace on the high street, this course will equip you with the essential skills to start employment in this fast growing industry. This is suitable for students new to the beauty industry wanting to become a nail technician in a nail bar or beauty salon.

You will be required to attend college three/four days a week and complete a work placement alongside this course whilst attending college.

You will need to complete external work experience for one day a week.

ENTRY REQUIREMENTS

A minimum of GCSE grade 4 in English OR maths. You will be required to study the subject in which you have not gained a grade 4 in whilst completing your course. If you do not gain a grade 4 in either English or Maths you will need to study the Level 1 course first.

If you do not meet these requirements a Level 1 provision is available as a stepping stone onto Level 2.

LOCATION & NEXT START DATE(S)

Cornwall College St Austell - 8 September 2025
