

Hairdressing Diploma (Evening)

Adult

This Level 3 course is designed to be a progression route for Level 2 hairdressers wanting to gain employment within the hairdressing industry and is aimed at learners wishing to further their existing hairdressing skills.

During this course you will be given the opportunity to train in one of our industry standard salons, work in a realistic environment and use the latest equipment, machinery and products within the industry.

Alongside this training, you will be required to complete work related experience within the industry to enrich your programme of study and gain employability skills. You are also required to complete course work and research in your own time towards completion of this qualification

Throughout this course you will learn a variety of advanced practical skills and the associated knowledge, which will develop your employment opportunities within the hairdressing industry. This is an intensive, knowledge-based course and enthusiasm and motivation are important if you wish to succeed on the course.
