

# Brickwork Skills Bootcamp

Adult

This Bootcamp programme has been designed to support adults into employment. There will be a focus on the development of practical skills in brickwork and blockwork. Alongside this, there will be the development of knowledge required to pass the CSCS test for construction operatives. To access the CSCS test, learners must achieve the Level 1 Award in Health and Safety in a Construction Environment (6031347X).

Applicants must be resident in Devon or Cornwall to be eligible for the course.

In addition, learners will study information and communication content from the level 2 unit - Principles of Construction.

We offer a wide range of construction skills bootcamps. Click here to find out more
